Teaming to build a bright future

Dear Friend,

The North Berwyn Park District and Park District Board Foundation have teamed up to support the children of our community. This strategic alliance was developed for the purpose of enhancing the park district. The Park District Foundation was started in order to support park activities and to improve the quality of life for all that utilize and participate in park district programs.

This year with the support of the City of Berwyn and the Berwyn Development Corporation, the North Berwyn Park District will be conducting the "FORE the ARTS" Golf Outing. This event will raise funds for Art programs in both the North Berwyn Park District and Berwyn North School District 98.

We are excited to be holding the "FORE the ARTS" Golf Outing at White Pines Golf Club on Friday, August 11, 2017. The festivities will start with breakfast at 8:00 am, shotgun start at 9:00 am and dinner at approximately 3:00 pm.

This partnership of the business community, governmental agencies, community organizations and residents will assist the park district in providing a positive outlet for the kids in the community. The park district strives to enhance art programming in the city of Berwyn.

Join the team. Be a sponsor. Together we can help build a bright future.

Sincerely,
